

### REMARKS

This amendment is inserting a Figure 1, which is the English translation of the figure originally in the PCT application of which this application is a U.S. national stage.

This figure was apparently dropped from the application inadvertently at some point in the U.S. Patent and Trademark Office, and did not appear in the published application. To ensure that the figure appears in the pattern to issue on this application, it is being reinserted here.

Should any questions arise, the Examiner is invited to telephone attorney for applicants at 212-490-3285.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. Tiajolloff', is written over a horizontal line.
